

ADMINISTRATIVE OFFICES

Safety first

We prioritize safety because it's in our DNA. During this time, staff is implementing additional hygiene habits, sanitation standards and social distancing rules in the admin offices as we beat COVID-19.

By appointment only

We place the utmost value on the safety of our members. For the foreseeable future, we are only accepting member visits by appointment only.

Staff

As we continue to follow the guidelines established by federal and local authorities, staff will work partially in the office and remotely. Email is the best way to reach us during this time.

Virtual committee meetings

Until a staff liaison notifies you otherwise, all committee meetings will continue to be held virtually.

BATON ROUGE & SOUTHWEST TRAINING CAMPUSES

June 1, 2020

Limited classes resume on June 1. ABC will be in touch with students regarding when and how. If you need more info, training center staff is available by phone (numbers below) May 19 - 28, 8a - 2p. After June 1, you can reach staff during normal hours (7:30a - 6:30p).

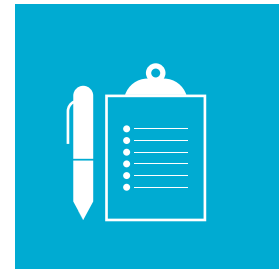

Temperature checks

Each student's and instructor's temperature will be checked daily before they are allowed in our buildings.

Social distancing rules

Social distancing rules apply while on our training campuses. Students and instructors must stand six feet apart and avoid sharing tools and equipment.

Disinfecting daily

After we wrap classes each evening, our staff and cleaning crew will thoroughly disinfect the classrooms, restrooms, equipment, tools and lab space.

Face coverings

Students and instructors are required to bring and wear a face covering for each class, per CDC guidelines. ABC Pelican will provide face coverings if needed.

Hand Hygiene

Additional hand washing stations and hand sanitizer stations are provided; students and instructors must engage in frequent hand washing (at least 20 seconds) or use hand sanitizer after interacting with common areas.
